

The list of documents required for the cosmetic products registration (or declaration)

1. The power of attorney issued by the manufacturer to the applicant certified in the prescribed form.
2. Copies of the documents under which the products are manufactured (technical documents and/or the list of ingredients in the composition of the perfume and cosmetic products, specifying the quantities of ingredients, as set out in Annexes 2-5 TR CU 009/2011), certified by the manufacturer.
3. A written notice of the manufacturer that the product manufactured meets the requirements set out in the respective production documents. Such notice may be provided in the form of the manufacturer's certificate of quality of the products certified by the manufacturer or manufacturer's letter.
4. Copies of the documents containing the organoleptic and physico-chemical indicators of the products certified by the manufacturer.
5. In case of the manufacturer's use of nanomaterials in the composition of the perfumery-cosmetic products, information on the nanomaterial shall be provided including its chemical name, particle sizes, as well as physical and chemical properties;
6. A sample of labeling of consumer packaging of the perfumery-cosmetic products confirming compliance with the requirements of paragraph 9 of Article 5 of TR CU 009/2011;
7. A summary of information specifying claimed consumer properties (if the manufacturer claims the same in the product labeling), special warnings and precautions (if necessary) in the use of the products as well as information about the ways of application of perfumes and cosmetics in accordance with TR CU 009/2011 11, the lack of which can lead to incorrect use by the consumer of perfumery-cosmetic products;
8. The manufacturer's document on the compliance of production with the requirements of Paragraph 7 of Article 5 of the Technical Regulation (the manufacturer's written notice on the compliance of production with the requirements of this Technical Regulation, or a declaration (statement or written notice) on the manufacturer's compliance with GMP guidelines, or a quality management system certificate, or a certificate of the compliance of production of perfumery-cosmetic products to the principles of Good Manufacturing Practice (GMP));
9. An extract from the Unified State Register of Legal Entities and the Unified State Register of Individual Entrepreneurs with the information about the manufacturer and the applicant.
